ILLUSTRIOUS VISITORS

M. P. Bro. Leon M. Abbott, Sovereign Grand Commander of the Supreme Council for the Northern Jurisdiction, U.S.A., was introduced by Past Sov.'. Gr.'. Commander Sir John Gibson, and Lieut. Gr. Commander Hugh A. Mackay.

Ill.'. Bro.'. Gibson, in presenting the distinguished visitor, called attention to the responsibility resting upon him in presiding over the large and influential body of Masons constituting his jurisdiction and to the outstanding ability and unwavering devotion to duty with which he had met the demands of his high office.

In bidding welcome to the Illustrious Brother Sov.'. Gr.'. Commander Cameron recalled with much pleasure the generous courtesy extended to him and the very genial and fraternal spirit in which he had been received by Ill.'. Bro.'. Abbott on the occasion of his visit to the Northern Supreme Council at its recent Annual Session.

Grand Commander Abbott, in accepting the welcome extended to him expressed his satisfaction in courteous and gracious words and genial humour, and also gave expression in all seriousness to his conception of the ideals which should be the aspiration of members of the A.'. & A.'. S.'. Rite.

Illustrious Brothers Robert A. Shirrefs, Secretary-General of the Northern Supreme Council, Samuel F. Hubbard, Marshal of the Camp, and George W. W. Snider, of the same Council, were introduced by Ill.'. Bro.'. Mackay and welcomed with fitting ceremony by the Sov.'. Gr.'. Commander, and gave very happy and fraternal assurances of the pleasure they felt in the welcome tendered them.

The Supreme Council was called off and a Lodge of Perfection, 14°, declared open. Many brethren of the Rite who had been in waiting were then admitted to the chamber.

The Sovereign Grand Commander then delivered his Annual Address as follows:

Peers and Brethren:

For the third time it is my privilege to express on behalf of every member of Supreme Council the mutual welcome we so gladly accord to one another when gathered together in Annual Session, the genuine pleasure we derive from this renewal of old and valued friendships and from the opportunity thus afforded of extending our acquaintance among those devoted to the service of the Rite, and above all, yet humbly, our gratitude that we have been spared to enjoy this experience.

We meet to-day, as triennially we must, in our Grand East. The inaugural meeting of the Council was held in Ottawa (16th October, 1874) for the reason that the first Sovereign Grand Commander, Thomas Douglas Harrington, 33°, resided there, he having been appointed to the office *ad vitam*, by the Supreme Council for England, before the formation of the Council over which he was to preside. But it was immediately felt that Montreal would be more suitable for the purpose; accordingly at the Annual Meeting here in the following year, the Grand East was fixed in Montreal. Here it has since remained and it is undoubtedly fair to say that subsequent experience has amply demonstrated the wisdom of the choice. In spite of the acknowledged attractions of other Valleys, it will be generally admitted that as the triennial year comes around, the prospect of meeting in this cosmopolitan Metropolis of the Dominion evokes among our members an interest and a response quite unmistakable. Some day, perhaps, when our numerical and financial strength has attained larger proportions, (and we are facing in that direction) Supreme Council may have its own quarters in its Grand East. But be that as it may. In the meantime, although prudent caution avoids prophecy, signs are not lacking that it may not be long before the local Bodies of the Rite will have more adequate premises, in which event Supreme Council will be afforded a meeting-place more commensurate with its dignity and growing needs.

Necrology

Since our last Annual Session five of our members have passed from our sight, two Active Members, Ill. Bro. Donald Darrach, 33°, of Kensington, Prince Edward Island, Deputy for that Province, who died 13th December, 1921, and Ill. Bro. Roderick MacNeill, 33°, of Charlottetown, Prince Edward Island, who died on the 17th of the present month; and three Honorary Members, Ill. Bro. Thomas George Davis, 33°, of London, Province of Ontario, who died 26th of May, 1922; Ill. Bro. James Black McKillop, 33°, of London, Ontario, who died 23rd March, 1922 and Ill. Bro. George Black Hegan, 33°, of St. John, Province of New Brunswick, of whose death on the 16th instant, we only received news this morning.

Gentle, unassuming and retiring, Ill. Bro. Donald Darrach, 33°, was a familiar and welcome figure at our Annual Meetings, which he attended with great regularity. Sweet and gentle in disposition, genial and whole-souled, his intercourse with his brethren was most pleasant to all of us. He was a sincere and devoted Mason and gave freely of his time and energy to the Scottish Rite in his native Province. For several years past since the breakdown in health of Ill. Bro. Roderick MacNeill, 33°, Ill. Bro. Darrach has been alone in representing Supreme Council in Prince Edward Island; and his death at this juncture, as will appear later in my observations in regard to the condition of the Rite in that Province, is most unfortunate. In the letter which I caused to be sent to you and to the Bodies of our Obedience, intimating his death, his Masonic and private career is chronicled. I append hereto a copy of the letter in order that it may appear in the Printed Proceedings for this Annual Session.

The only notice thus far received of the death of Ill. Bro. Roderick MacNeill, 33°, is that contained in the public press; although we know that for several years he has been an invalid and unable to participate in any of the activities of life. He was foremost, if not the leader, in the establishment of the Bodies of the Rite in Prince Edward Island, and blessed them, so long as his

health permitted, with enthusiastic support and an equally enthusiastic hope in their success. For 12 years, from 1898 to 1910, he was Deputy for the Province. As soon as possible full particulars of his career and an appreciation of his high character will be made available for your information and recorded in the archives of Supreme Council. In the meantime, it would be unfair to ourselves to pass to the consideration of other matters without expressing not only our regret that in one and the same year we should suffer this two-fold bereavement in the loss of both of our Active Members in Prince Edward Island, but also our general agreement that Supreme Council is distinctly poorer by the loss of men and brethren of their type.

I recommend that suitable memorial pages commemorating the service of our deceased Honorary Members be prepared and printed in the Proceedings.

Since our last Annual Session we have been notified of the deaths of the following members of other Supreme Councils, viz:—

BELGIUM:

Henri Joseph Dupont, 33°, 14th May, 1922.

Houzeau de Lahaie, 33°, 20th May, 1922.

DOMINICAN REPUBLIC:

Antonio Guzman, 33°, 20th October, 1921.

Eduardo Victoria, 33°, 22nd January, 1922.

Alejandro Regus, 33°, 13th April, 1922.

MEXICO:

Herbert P. Lewis, 25th March, 1922.

NORTHERN JURISDICTION, U.S.A.:

William Castein Mason, 33°, 19th January, 1922.

William Peiffer Weiser, 33°, 6th June, 1922.

SERBIA:

Svetomir Nikolajevic, 33°, Lieutenant Grand Commander, 18th April, 1922.

SCOTLAND:

Earl of Haddington.

SOUTHERN JURISDICTION, U.S.A.:

Charles C. Homer, Jr., 33°, 9th March, 1922.

SWITZERLAND:

Albert Wellauer, 33°, Secretary General, 7th May, 1922.

We extend to the Brethren of these Jurisdictions, as well as to those of other Supreme Councils who may have been similarly bereaved, our sincere sympathies in the losses they have sustained.

Home Affairs

The Reports on the activities of the Subordinate Bodies during the past year which will be laid before you and the information which has otherwise come to me, show the Rite to be in a sound condition in our Jurisdiction. It is true that the number of the entrants in the Lodges of Perfection and Chapters of Rose Croix was less than in the two preceding years but this was probably to be expected. Conditions arising during and out of the War apparently stimulated a desire for membership in the Masonic Fraternity generally which exhibited itself in all branches of the Craft throughout all Jurisdictions on the Continent; and it was felt that the relatively large additions to the Scottish Rite in Canada during the years 1919-1920 and 1920-1921 were merely an incident of that situation and that when conditions became settled there would be a re-action. As a matter of fact I think we have all felt that the growth in the two years preceding last year was abnormal; so that upon the whole our returns for the past year should be entirely satisfactory. Nowhere is the injunction to hasten slowly more pertinent than in the Masonic Institution; indeed one might fairly say that in the matter of admitting new members slow haste is more advisable in Masonic Bodies generally than in any other organization. The honor, the reputation

and the usefulness of the Craft are in some measure committed to the charge and keeping of every initiate; and even if he does not realize this, they should who propose and elect him, lest those cherished qualities of the Order be impaired as the result of an ill-considered choice.

The number of admissions is as follows:—

Lodges 969; Chapters, 629; Consistories, 450.

Accompanied by Ill. ∴ Bro. ∴ O. E. Stanton, 33°, I attended the Annual Reunion of the Bodies in the Valley of Kingston, Ontario on the 12th day of April last. The manner in which the Ceremonies were exemplified, the courtesy and hospitality of the brethren and their assurances of respect and loyalty to Supreme Council made the occasion most enjoyable to me.

It was my privilege to be present at one of the Easter Assemblies of the Rose Croix Chapter at Toronto, Ontario, on the 13th April last. There was a large attendance of Sovereign Princes and the impressive, dignified and faultless manner in which the Rose Croix degree was exemplified by Ill. ∴ Bro. ∴ Lewis F. Riggs, 33°, Grand Captain of the Guard in this Supreme Council, and his Officers, left nothing to be desired. The courtesies extended to me by the Toronto members of Supreme Council during my stay in their City were hearty and generous.

Courteous invitations to visit other Valleys and to attend various Masonic functions came to me during the year, which it was impossible for me to accept, partly on account of professional duties and partly because of a somewhat serious illness which laid me aside from all activities for several months. Quite apart from any personal considerations, I am well aware of the interest created by the visits of the chief officer of a Masonic Order to subordinate Bodies, particularly on occasions of a locally important nature; and it has been, therefore, as disappointing to myself as to those who invited me when it was impossible to accept the invitations. On the other hand I assure you, although it may sound and doubtless is entirely selfish, my regret at being prevented from

fraternizing with my brethren during the year is compensated by my pleasure and gratitude at being spared to be with them here to-day, a mercy and a favor which a few months ago it seemed possible I might be denied.

An event at which I was particularly sorry not to be present was the laying of the corner-stone of the new Scottish Rite Temple in the Valley of Hamilton, on 31st May last. I had looked forward to the occasion with pleasurable anticipation, but as I was in the Hospital when it occurred, my absence was unavoidable. As it was, the Brethren in Hamilton invited M. . W. . Bro. . W. N. Ponton, Grand Master of Craft Masons in their Province, to perform the ceremony; and his presence and co-operation, in his official quality, at a Scottish Rite function of such a nature, is worthy of remark. Scottish Rite Masons, some of them in any event, cannot be too frequently reminded that Craft Masonry is the foundation of the whole Masonic structure.

There is a tendency, too common unfortunately as I think, to look upon the Scottish Rite as something entirely distinct from the Craft or Blue Lodge System, and as having little or no connection with the latter save in the fact that we must of necessity look there for our material; a tendency found within the ranks of the Scottish Rite as well as outside. Undoubtedly we have in the A. . & A. . S. . R. . a separate and distinct organization, independent of all external control, and our activities may and often do follow along special lines. But those facts, and other similar considerations, do not by any means justify the supposition nor the attitude which implies the supposition that Scottish Rite Masons themselves need have no concern with the general body of the Craft.

The exact opposite is the case. The roots of the Scottish Rite organization are deeply implanted in the Craft lodges; from them and from them alone can our reinforcements come, to them we owe primary allegiance which admission to other branches of the Order does not diminish; indeed the lessons which they teach are but amplified, extended and elaborated in the Scottish Rite. These and other equally obvious conditions demonstrate not only the close and intimate association between the

Order with which we are here concerned and the Craft at large but also our duty to retain our interest in all that concerns the welfare of the latter; and if admission to and activity in the Scottish Rite should close our eyes to that association and that duty, its effect upon fundamental Masonry would be pernicious indeed.

While thus speaking of Home Affairs, I desire to renew my tribute to the promptness, efficiency and courtesy with which our genial Secretary-General has, as usual, fulfilled the duties of his office during the past year. Frequently in well-nigh daily communication with him, I have had more than any one else opportunities of forming a judgment on the subject and know whereof I speak. Perhaps, sometime, in the not too distant future, the Committee on Audit and Finance would consider if my tribute to the Secretary-General can be, in a material way, endorsed and supplemented by Supreme Council.

Prince Edward Island

During the first two years of my term of office, several consultations were held between the late Ill.: Bro.: Dar-rach, 33°, then Deputy for Prince Edward Island and myself, in regard to the condition of the Rite in that Province. The situation was giving him some concern. He was not only Deputy for the Province, but was also largely responsible for the ceremonial work in the three Bodies in Charlottetown; and his own advancing years and failure of health brought the realization that he could not be expected much longer to devote the measure of time and energy which he had been giving to the service; on the other hand he was at a loss to say who would be prepared to succeed him. Speaking generally he was satisfied in his own mind that while numerically the membership there was not large, there were several eminently qualified to hold office in the different Bodies, but the difficulty was to enlist their enthusiasm to the extent necessary even for the efficient presentation of all the statutory degrees. There is no doubt he was convinced that the lack of proper exemplification of the Work accounted largely for the apparent lack of interest among the members.

My last conversation with Ill. Bro. Darrach on the subject, indeed on any subject, was one in which Ill. Bro. Alexander McDougall, 33°, Grand Chancellor, participated, at the last Annual Session of Supreme Council. Carefully and anxiously we again reviewed the situation with the result that both the Grand Chancellor and myself were forced to the conclusion that the present membership of the Rite in the Province is totally inadequate to allow Lodge, Chapter and Consistory to be successfully carried on, that to impose on the same few members, however willing and enthusiastic, the heavy ceremonial work of the statutory degrees in all three Bodies, is to lay on them too great a task, one which must inevitably and soon diminish good-will and dampen enthusiasm; and that however disappointing in the first instance to our Brethren in the Valley of Charlottetown the obvious remedy, which they would themselves ultimately approve, is to ask them to confine their energies to the Lodge of Perfection to the end that that Body might be put on a firm footing. In that conclusion Ill. Bro. Darrach frankly concurred.

Having subsequently given further consideration to the matter, I caused the following Edict to be issued:—

“Supreme Council 33°

“Ancient and Accepted Scottish Rite of Freemasonry
“for the Dominion of Canada.

“Office of the Sovereign Grand Commander

“Montreal, Que., 3rd November, 1921.

“Donald Darrach, M.D. 33°,
“Deputy for Prince Edward Island,
“Kensington, P.E.I.

“My Dear Deputy:—

“Since my return from the last Annual Session of
“Supreme Council I have given further careful, anxious
“and sympathetic consideration to the problem created
“by the condition of the A. & A. S. R. in the

“Province of Prince Edward Island. During the past
“two years it has been much in my mind, as previously
“to my knowledge it was for a long time in the mind
“of my distinguished predecessor. He was, as I have
“been, disinclined to take any action which however
“justified might appear drastic, in the hope that con-
“ditions might so improve as to render any executive
“act on behalf of Supreme Council unnecessary. I as-
“sure you again, as I assured you recently in Ottawa,
“that there is every desire and intention on the part of
“Supreme Council to be of assistance to the brethren in
“your Province and to the Bodies which it has estab-
“lished there. On the other hand I have reluctantly
“arrived at the conclusion that to allow present con-
“ditions to continue would not be fair or just either to
“Supreme Council nor to the brethren in Prince Edward
“Island nor indeed to the usefulness of the Rite itself.
“To one so appreciative as yourself of the import and
“intrinsic value of the degrees of the Rite, it is un-
“necessary to say that unless at least those declared by
“Supreme Council to be Statutory are conferred in
“extenso with appropriate dignity and preparation, their
“impression and purpose must largely fail of being
“realized; and the reputation of the degrees must be
“prejudiced. No benefit whatsoever can accrue to any
“brother from the single fact that he has attained a
“certain grade or degree in the system.

“I understand from you that a Meeting of the
“Lodge of Perfection, Chapter of Rose Croix and Con-
“sistory will shortly be held at which certain of the
“degrees are to be exemplified by brethren from Hali-
“fax, N.S. and St. John, N.B.; but there seems to be no
“reason to hope that the additions to the several Bodies
“at this meeting will be sufficient to revive them. The
“Annual Returns during several years to Supreme
“Council and the information otherwise at its disposal
“lead to the conviction that having in view the num-
“erical strength of the residential membership of the
“three Bodies in the Valley of Charlottetown, the
“brethren there are endeavouring a task at present be-
“yond their strength. This neither suggests nor im-
“plies any reflection upon their enthusiasm for or devo-
“tion to the Rite; larger Valleys than theirs might find

“a similar undertaking difficult. The impression is
“strong that in the circumstances the reputation, dig-
“nity and usefulness of the Rite and its undoubted
“benefits and advantages to the brethren in your Prov-
“ince will be best promoted, indeed can only be pro-
“moted, if the Lodge of Perfection there is first put and
“maintained upon a sound healthy basis; which can only
“be done if the efforts and devotion of all concerned are
“concentrated upon that Body and the statutory de-
“grees thereof, to the exclusion of the Chapter and
“Consistory.

“Such being the case, I feel it to be my plain duty
“to intervene, which I do with genuine regret and in
“the heartfelt hope that it may conduce to the advance-
“ment of the Rite. I do not go so far as to arrest and
“require the surrender of the Charters or Warrants of
“Constitution of the Chapter of Rose Croix and Con-
“sistory; but in order that the policy already indicated
“may be given a fair trial, I decree as follows:—

“**First:** From and after this date, and until otherwise
“ordered by the Sov. Gr. Commander or by
“Supreme Council, no new member shall be elected
“or added to Prince Edward Island Consistory, ex-
“cept such members 18° of Charlottetown Chapter
“of Rose Croix as may be elected to receive the
“Consistory degrees at the aforesaid meeting pro-
“posed to be held in the near future, and no degree
“shall be conferred in said Consistory or under the
“Warrant thereof, except such degrees as may be
“conferred at said meeting.

“**Second:** From and after this date and until other-
“wise ordered by the Sov. Gr. Commander or
“by Supreme Council, no new member shall be
“elected or added to Charlottetown Chapter of Rose
“Croix, except such members 14° of Albert Edward
“Lodge of Perfection as may be elected to receive
“the Chapter degrees at the aforesaid Meeting pro-
“posed to be held in the near future, and no degrees
“shall be conferred in said Chapter or under the
“warrant thereof except such degrees as may be
“conferred at said meeting.

“**Third:** Save as hereinbefore mentioned, the Charters
“or Warrants of Constitution of said Consistory and
“said Chapter respectively shall remain in full force;
“in consequence whereof the statutory meeting of
“each of said Bodies shall be held for the election
“of officers and, as regards the said Chapter, for
“the performance of the Easter Ceremonies, and
“the usual Returns shall be made and fees paid
“annually to Supreme Council.

“I beg you to forthwith communicate this letter
“to the Secretary of the three Bodies named, with
“instructions to him to read the same at the next en-
“suing meeting of each Body, to transcribe the same
“at full length in the Minutes of said next Meetings
“of the Chapter of Rose Croix and Consistory respect-
“ively, and as soon as those instructions have been
“observed, to send to our Ill.°. Grand Secretary General
“a Certificate to that effect.

“I sincerely trust that this Decree will be received
“in the spirit in which it is issued, and as an earnest
“attempt to co-operate with the brethren in Charlotte-
“town in achieving an end which they doubtless believe
“most worthy, a belief shared by every member of
“Supreme Council.

“With fraternal greetings to yourself and all the
“brethren.

“I am,

“Fraternally yours,

(Signed) “J. ALEX. CAMERON, 33°,
“Sovereign Grand Commander.”

“**Attest:**

(Signed) “W. H. BALLARD, 33°,
“Secretary-General.”

An acknowledgment of the foregoing was made by Ill. Bro. Darrach, 33°, in the following terms:—

“Supreme Council 33°

“Ancient and Accepted Scottish Rite of Freemasonry
“for the Dominion of Canada.

“Office of the Deputy of the Supreme Council

“Kensington, P.E.I., Nov. 21st, 1921.

“J. Alex. Cameron, Esq., 33°,

“Sovereign Grand Commander,

“A. & A. S. R. of Freemasonry

“for the Dominion of Canada,

“Montreal.

“Most Puissant and Dear Sir:—

“I have just returned to my home from Battle Creek Sanitarium. I decided next morning after the Meeting of Supreme Council (as I was so far on the way thereto) to go there for a week or ten days, but I had to remain longer, consequently did not receive your letter until now.

“On my way home I met the T. P. G. M., and strange to say I delivered to him about the same directions as contained in your letter of November 3rd, although then I did not know anything more than the substance of your conversation on Tuesday, 25th, at the Chateau Laurier. He agreed with all I said, but thought it would not be wise to call a Meeting until after the Federal Elections, which no doubt was correct.

“While at Battle Creek I wrote our Registrar Bro. Inman, asking him to wire me if the Meeting referred to had been arranged for. I received the reply that it had not. This enabled me to prolong my visit another week or more without worrying on that account.

“I told the T. P. G. M. that although we could not have a Meeting until after the Federal

“elections, he should in the meantime see every Brother
“possible, and urge upon every one the necessity of
“attending the Meeting, to get them interested, and
“that I had a very serious statement to make and want-
“ed every member within reasonable distance to be
“there. On reaching home the same evening and finding
“your decretal letter on my table, bringing the expected
“storm directly upon our heads, I must acknowledge
“receiving a shock.

“Bro. Inman informed me that when at B.C. San.
“that the proposed visit from the Members of the Rite
“at St. John, N.B., had to be postponed also.

“I regret exceedingly the delay in acknowledging
“your esteemed favor, owing to my absence from home,
“but trust when this reaches you, you will pardon my
“apparent neglect and lack of courtesy.

“As soon as the Election is out of the way I will
“make a special effort to arrange matters in accordance
“with your instructions and commands.

“With my warmest regards, I am,

“Fraternally and faithfully yours,

(Signed) “D. DARRACH, 33°,
“Deputy for P.E.I.”

This was the last communication I received from Ill. Bro. Darrach, 33°; he died on 13th December last.

On the 30th December last I appointed Illustrious Bro. James Henry Winfield, 33°, Deputy for Nova Scotia, to be the Special Deputy for the Province of Prince Edward Island until the next Annual Meeting of Supreme Council; and at my request Ill. Bro. Winfield visited Charlottetown with a view of eliciting further required information relative to the condition of the Rite there, and which would be useful to Supreme Council in dealing with the subject. I desire to express to Ill. Bro. Winfield my thanks for his prompt compliance with my request.

I recommend that a Special Committee be appointed to consider this matter and to report thereon at the present Annual Session.

Charter

The Charter or Warrant of Constitution for Victoria, B.C., Lodge of Perfection, in the City of Victoria, Province of British Columbia, granted at the last Annual Session of Supreme Council, was signed and issued under date of 27th October, 1921.

New Body

Upon Petition, signed by fifty-one Brethren of and above the 14°, and the recommendation of the Ill. . Deputy for Saskatchewan, and after careful consideration of the membership and other conditions of Craft Masonry in the City of Moose Jaw, Saskatchewan, and the territory tributary thereto, on 16th November, 1921, I granted a Dispensation authorizing the Brethren therein named and those thereafter associated with them, to open and hold a Lodge of Perfection 14°, A. . & A. . S. . R. . in the Valley of Moose Jaw, Province of Saskatchewan, to be known as Moose Jaw Lodge of Perfection, and appointed as the first officers thereof:—

James McCauley 33°, T. . P. . G. . M. .

Joseph R. Yorke 32°, S. . G. . W. .

David R. Brown 32°, J. . G. . W. .

The Lodge was duly instituted and its officers invested by the Ill. . Deputy for Saskatchewan on 26th January, 1922. Application for a permanent Warrant will be made at this Session of Supreme Council.

Dispensations

1. On 17th November last, at the request of the M. . P. . Sovereign Grand Commander of the Southern Jurisdiction, U.S.A., I authorized Keith Chapter of Rose Croix, Halifax, N.S., to confer the degrees 16° to 18° upon Bro. . Eynar Frank Olsen 15° member of the Rose Croix Chapter at Seattle, Washington. The degrees were conferred upon

Bro. : Olsen by Keith Chapter of Rose Croix on 9th January last, and I notified the Sovereign Grand Commander of the Southern Jurisdiction to that effect.

2. On 1st January last, upon the application of Sault Ste. Marie Lodge of Perfection, at Sault Ste. Marie, Ontario, I concurred in the recommendation of the Illustrious Deputy for Ontario, that the M. : P. : Sovereign Grand Commander of the N. : M. : J. : , U.S.A., be asked to authorize the Lowell Lodge of Perfection, at Lowell, Mass., to confer the 14° on Bro. : Samuel Solomon Berger 13°, who had been regularly accepted by Sault Ste. Marie Lodge of Perfection, and had paid the fee for the degree, but had since removed to and resided in Lawrence, Mass. The degree was conferred on Bro. : Berger by Lowell Lodge of Perfection on 6th March, 1922, and I notified the Illustrious Deputy of Ontario to that effect.

3. On 15th March last, upon the application of Montreal Consistory, Montreal, I concurred in the recommendation of the Illustrious Deputy of Quebec that the M. : P. : Sovereign Grand Commander of the N. : M. : J. : , U.S.A., be asked to authorize Michigan Consistory at Detroit, Mich., to confer the 31° on Bro. : David James Evans 30°, who had been regularly accepted by Montreal Consistory, and had paid the fee for the degree but has since removed to and intended to remain for some time in Detroit. The Sovereign Grand Commander of the N. : M. : J. : was pleased to grant the desired authority, but I have had no report as to the outcome in this matter.

4. On 16th March last, upon the application of Hochelaga Chapter of Rose Croix at Montreal, I concurred in the recommendation of the Illustrious Deputy for Quebec that the M. : P. : Sovereign Grand Commander of the S. : J. : , U.S.A., be asked to authorize the Rose Croix Chapter at Oakland, California, to confer the degrees 15° to 18° upon Bro. : William John Woolsey 14°, who had been regularly accepted by Hochelaga Chapter of Rose Croix and had paid the fee for the degrees, but had removed to and intended to remain for some time in Stockton, California. The degrees were conferred on Bro. :

Woolsey on 17th May last, and I notified the Illustrious Deputy for Quebec to that effect.

5. On 10th April last, at the request of the M.: P.: S.: G.: C.: of the N.: M.: J.:, U.S.A., I granted a Waiver of Jurisdiction over Harry C. Crocker, of Montreal, in favor of the Bodies of the A.: & A.: S.: R.: in Nashua, New Hampshire, for all the degrees of the Rite from the Fourth to the Thirty-second, inclusive. The circumstances were that Bro.: Crocker, although residing for some time in Montreal, is an American citizen, and had received his Craft and other degrees in the United States, and desired to complete that record by receiving the Scottish Rite degrees at the hands of intimate friends and associates in New Hampshire; but before granting the Waiver I referred the request to the Illustrious Deputy for Quebec, and through him to the three Bodies of the Rite in Montreal, and obtained his and their approval. The Waiver was granted, subject to the provision that the Fifteenth degree be not conferred for at least two months after the Fourteenth degree, and that the Nineteenth degree be not conferred until the expiration of at least six months after the Eighteenth degree, being the Statutory intervals prescribed by the Statutes and Regulations for the Supreme Council for Canada. The Sovereign Grand Commander of the N.: M.: J.: was good enough to say that the degrees would only be conferred in accordance with the terms of the release. I have no report as to the outcome in this matter.

6. I recently received a request from the Supreme Council for England, Wales, &c., for my consent to allow Alleyn Chapter of Rose Croix, No. 139, London, England, to perfect Brother Colin Ross, now domiciled in England, a Master Mason, member of Victoria Lodge, Alsask, Saskatchewan.

As Bro.: Ross is now domiciled in England, he is the material for the Bodies of the Rite there, and under the Canadian rule we no longer have jurisdiction over him. Apparently under the Regulations of the Supreme Councils for England, Wales, &c., our consent is required because of the fact that Bro.: Ross is a member of a Blue Lodge

in Canada, and I therefore, on the 13th instant, granted the consent as far as may be necessary.

8. It is perhaps unnecessary to say that several other applications for Dispensations were declined because of lack of urgency in the reasons for which they were asked. I repeat here, as remarked by me when declining one of those applications, that my conception of the discretion given to the Sovereign Grand Commander to issue Dispensations of this nature, whether for shortening the time between degrees or otherwise, is that the discretion should only be invoked under special circumstances, and that the powers given him to modify the general rule of the Statutes should only be used where the application of the general rule would be practically impossible or a hardship.

BY-LAWS

I have approved alterations in the By-Laws of the following bodies:—

Bethesda Chapter of Rose Croix, Winnipeg, Man.

New Brunswick Consistory, St. John, N.B.

and I have also approved a set of By-Laws for Windsor Chapter of Rose Croix, and a set of By-Laws for Brandon Lodge of Perfection, U.D., to be adopted and become effective if and after a Warrant of Constitution is granted.

Rulings

1. I was asked to say if a Rose Croix Chapter can accept an Application from a member of a Lodge of Perfection under Dispensation, in view of the fact that the members of the Lodge would become unaffiliated members in the event of Supreme Council withdrawing the Dispensation and not granting a permanent Charter. I replied that a Lodge under Dispensation is, as long as the Dispensation remains in force, a validly formed and legally existing body, and that irrespective of what may happen to that body later on, the only concern of a Chapter of Rose Croix in that respect is to be satisfied that its candidates are affiliated in the Lodge of Perfection when they apply for and receive the Chapter degrees.

2. I ruled that the vacancy caused by the resignation of an elective officer is filled by a new election and not by an appointment made by the T. . P. . G. . M. .; that the general practice in the Scottish Rite in this jurisdiction has been to allow an installed elective officer to resign, with the consent of the body, and that thereupon the body proceeds, at the next regular meeting, and after due notice, to elect a successor under the provisions of Sect. 63 of the Statutes and Regulations.

3. I expressed the opinion that, without a dispensation from the Sov. . Gr. . Commander, which should be granted only in very special circumstances, no subordinate body has a right to hold a meeting to confer degrees or for any other purpose except in the Valley or locality in which it is established by its Charter or Warrant of Constitution.

Special Committees

1. In pursuance with a Resolution adopted at our last Annual Session, I appointed Ill. . Bros. . James Glanville 33°, Frederick J. Howell 33°, and Alfred F. Webster 33° (of the Province of Ontario), Alexander McDougall 33° (Province of Quebec), Joseph R. Seymour 33° (Province of British Columbia), Alexander Shepphard 33° (Province of Saskatchewan), and J. Henry Winfield 33° (Province of Nova Scotia), as a Committee to consider the matter of paying the expenses of Members of Supreme Council in attending the Annual Sessions. The Committee has gone very thoroughly into the subject of the reference, and will present its Report at the present Session. It is due to Ill. . Bro. . Glanville, the Chairman, to say that he has taken infinite pains to procure such information as will be valuable to Supreme Council in arriving at a determination of this very important matter.

2. At our Annual Session, it was intimated that a Resolution had been adopted by the Supreme Council of the Northern Mas. . Jurisdiction, U.S.A., in September, 1921, recommending the appointment of a Committee of that Council to meet similar Committees from the Councils of the Southern Jurisdiction, U.S.A. and Canada, with a view of arranging a Joint Meeting of the three Councils

for friendly and fraternal conference and for the discussion of matters of mutual interest and importance. No formal action was taken by this Council because no official notice of the Resolution just mentioned had been received; but it was informally agreed that if an invitation to that effect should come, I would appoint a Committee to represent the Supreme Council for Canada.

Subsequently, notice of the Resolution and of the personnel of its Committee was received from the Northern Council, and we were also notified that a similar Resolution had been adopted by and a Committee appointed to represent the Southern Council, and with each Notice came a request for our co-operation; whereupon I appointed M.: P.: Bro.: Sir John Gibson 33°, and Ill.: Bros.: Alfred F. Webster 33° and Alexander F. C. Ross 33° as the Committee from this Council. On the 3rd January last I received a telegram from Ill.: Bro.: Alexander G. Cochran 33°, St. Louis, Missouri, Chairman of the Southern Committee, intimating that a meeting of the three Committees would be held in Chicago on the 9th of that month; but unfortunately the notice was too short to permit the members of our Committee making arrangements to be present. However, the representatives of the other two Supreme Councils met in Chicago, on the last-mentioned date, and agreed that a joint meeting of the three Councils be held in that city on 3rd-5th April last; but when these dates were communicated to M.: P.: Bro.: Leon M. Abbott 33°, Sov.: Gr.: Com.: of the N.: M.: J.:, he indicated that the dates were not suitable for him owing to the fact that shortly thereafter he would be obliged to leave for Europe to attend the Lausanne Conference, and as a result thereof the proposed joint meeting of the three Councils was cancelled. No further action has been taken, and so far as I am aware, none is contemplated.

It might be well to add that the joint meeting, if held, would have been quite informal. The Sov.: Gr.: Commander of this Council might invite or even urge the members thereof to attend, but that is as far as he could go; for while the Statutes and Regulations give him power to call a special meeting at any time or place he may deem

expedient, it is reasonable to suppose that for the despatch of business the place must be within our own Jurisdiction.

Grand Representatives

To fill vacancies I have appointed Ill. . Bro. . W. H. Pott 33° to be our Grand Representative near the Supreme Council for Argentina; and I have recommended the appointment of Ill. . Bro. . Joseph Richard Seymour 33° as Grand Representative of the Supreme Council for Argentina near this Council.

Application for Recognition

Application has been received for recognition by this Council of a new Supreme Council for Czecho-Slovakia, formed (circa) 8th May, 1922, under the auspices of the Supreme Councils for Switzerland and Italy. In view of the short time elapsed since the formation of this Supreme Council, and having regard to our lack of information upon Masonic conditions generally in Czecho-Slovakia, I recommend that action on this application be deferred.

Annual Meeting of Northern Council

It was my good fortune to be present at the Annual Meeting of the Supreme Council of the Northern Masonic Jurisdiction, U.S.A., at Cleveland, Ohio, last month. There was a record attendance, due no doubt in large measure to the expectation that Ill. . Bro. . Warren G. Harding 32°, President of the United States, would be present to receive the thirty-third degree, to which he was elected in the previous year; but the regretted illness of Mrs. Harding and the cares of State unfortunately prevented him leaving Washington at that time, much to the disappointment of himself and the brethren.

This was the first occasion upon which M. . P. . Bro. . Leon M. Abbott 33° had presided as Sovereign Grand Commander, and, if it is not an impertinence to say so, his dignity, firmness, readiness and diplomacy in conducting the business of the Council, and his impressiveness in exemplifying the Ceremonies, were admirable. I was de-

lighted on your behalf, as well as for myself, to have from him an expression of his firm intention to be present with us at our present Annual Session if his official appointments and professional duties would permit. Sovereign Grand Commanders, it might be well to observe, have as a rule certain duties to perform other than those devolving on them by virtue of their official position.

The entertainment at Cleveland was, as usual, generous and delightful; in which observance M.: P.: Sir John Gibson 33° and other members of the Supreme Council for Canada who were present will gladly concur. A class of almost 150 S.: P.: R.: S.: received the thirty-third degree.

My visit to Cleveland brought another great pleasure, that of meeting M.: P.: Bro.: John H. Cowles 33°, the new Sov.: Gr.: Commander of the Supreme Council for the Southern Jurisdiction, U.S.A., who was there as a visitor. He realizes the close tie which has bound our Supreme Council, since its formation, to his; and he looks forward to following the example of his predecessors in testifying to that tie by a visit to us. On your behalf, I assured him of a hearty welcome.

It was delightful thus to renew and make friendships among brethren distinguished alike by their personalities as by their devotion to the service of the Rite. And yet, for friend must sometimes part from friend, there was regret in noting the absence of familiar faces, and in particular that of the late Ill.: Bro.: William Castein Mason 33° Deputy for the State of Maine. Our representative near the Supreme Council of that Jurisdiction, M.: P.: Bro.: Barton Smith 33°, was during his term of office as Sovereign Grand Commander prevented by his duties from giving personal attention to the entertainment of the Sov.: Gr.: Commander of our Council while visiting his. Always punctilious in such matters, M.: P.: Bro.: Smith delegated that duty to the late Ill.: Bro.: Dr. Mason, and those of us who have had from time to time the benefit of his kindly and generous thoughtfulness, and who were thus brought into somewhat closer touch with him than would

otherwise have been the case, can and do gladly testify to the pleasure derived from our association with him and our keen and poignant regret that he is no longer here to greet us.

International Conference, 1922

Although this Supreme Council, having decided to the contrary, did not participate in the Third International Conference held in Lausanne on 29th May-3rd June last, the proceedings there have undoubted interest for us, in view of our participation in previous Conferences.

With the exception of the Supreme Councils for England, Scotland, Ireland and Canada, practically all of the Councils in the world generally recognized as regular were represented. These included the Southern Jurisdiction, U.S.A., France, Northern Masonic Jurisdiction, U.S.A., Belgium, Brazil, Peru, Portugal, Uruguay, Argentina, Mexico, Central America, Greece, Italy, Egypt, Netherlands, Serbia, Switzerland and Spain. The Councils for Venezuela and Dominican Republic had signed their intention of being present, but circumstances prevented the attendance of their respective representatives. During the progress of the Conference, representatives of Supreme Councils newly formed for Poland and Czecho-Slovakia were admitted to the deliberations. It is pleasing to note that the proceedings of the Conference were inaugurated with an invocation for the blessing of Almighty God, the Grand Architect of the Universe.

A detailed and most interesting account of the work of the Conference, as well as of the social activities which preceded, interspersed and succeeded the deliberations, is contained in the Allocution delivered by the Sovereign Grand Commander M. . P. . Bro. . Leon M. Abbott, at the recent Annual Session of the Northern Council in Cleveland. In so far as the social activities are concerned, the hospitality and courtesies extended to the delegates from the United States Councils by the members of the Rite in Scotland and England, while on their way to Lausanne, and afterwards in Switzerland, Italy and France, were con-

tinuous, uninterrupted and unbounded, and may not be altogether unconnected with the decision taken by M. . P. . Bro. . Abbott to cancel similar appointments in Holland and Belgium and to leave for home sooner than originally intended. Parting from their hosts was doubtless sweet sorrow—parting from the entertainment must have been sorrowfully sweet.

As in the previous two Conferences, all matters were first considered by one of the three Sections or Committees on (1) Regularity of Supreme Councils, (2) Protection against irregular organizations, and (3) Unity and uniformity of the Rite.

On the recommendation of the Third Section, the Conference adopted resolutions (a) declaratory of the right of Supreme Councils to select their members and officers without interference or intervention by Grand Lodges or other Masonic Organizations, (b) recognizing the impossibility of adopting the proposal made at the previous Conferences, that there should be uniformity among all the Councils in the matters of words, signs, batteries, certificates and diplomas, and (c) deciding not to consider the creation of a Central office or a permanent secretariat for the Scottish Rite, proposed by certain of the Supreme Councils, but opposed by others as useless and dangerous and as constituting a first step toward a centralization contrary to the absolute autonomy of the various Supreme Councils. This last Resolution is particularly interesting and must be gratifying to the Supreme Council for Canada, inasmuch as the proposal thus rejected, the idea or conception or attitude of mind on which it was based and the apprehension that others of a similar nature might follow, were in a large measure contributory to the decision taken by our Council last year not to participate in the 1922 Conference.

On the recommendation of the Second Division (Protection against irregular organizations) the Conference adopted the following resolutions:

1. RESOLVED, that in the opinion of this Conference every Supreme Council should be supreme, sovereign and free from

the control or direction of any other body or organization in the method of selecting its members and officers, the duration of the term of office of its officers, the qualifications and regulations of membership in its subordinate Bodies, in its powers of legislation, and in the discipline of its members and subordinate Bodies throughout its entire Jurisdiction, subject to the rights of regular Grand Lodges which govern membership in the first three degrees of Masonry, consistent with the landmarks and laws of Ancient Craft Masonry.

2. RESOLVED, that hereafter any Supreme Council granting or withdrawing recognition from any other Supreme Council shall immediately notify every other Supreme Council of such action and the reasons therefor; and if the withdrawal of recognition is approved by a majority of the Supreme Councils represented at this Conference the Supreme Council from which recognition is withdrawn shall be debarred from participating in future International Conferences until the cause of the withdrawal of recognition has been removed to the satisfaction of a majority of said Supreme Councils and of the first Conference after said withdrawal of recognition.
3. RESOLVED: That hereafter any Supreme Council, other than those already represented at this Conference and the Conferences of 1907 and 1912, seeking representation at International Conferences of Supreme Councils, shall satisfy the Conference that it is organized and is existing in harmony with the principles laid down in the Grand Constitutions and Regulations of 1762 and of 1786, as those Constitutions and Regulations have been generally promulgated and remain in force.
4. RESOLVED, that in the opinion of the Conference, Bodies of Free and Accepted Masons, or other persons which confer Degrees, perform Rites, or conduct the business of Scottish Rite Masonry, or the Supreme Councils thereof who are not either mentioned in the list of those invited to be present by delegates to this Conference or recognized now or hereafter as regular by at least a majority of the Bodies in the list of invited and admitted recognized Bodies, are irregular and clandestine, and no regular Scottish Rite Masons should, under any circumstances, hold any intercourse with any such irregular Body, or any member acting under it, or of any of its subordinate Bodies. And hereafter no Body shall be considered

a Supreme Council in any country unless it shall have obtained recognition and established fraternal relations with every existing regular Supreme Council within a period of four years from the date of its organization.

5. RESOLVED, that regular Supreme Councils recommend to all organizations at their obedience to not entertain any relations with irregular Bodies in accordance with the preceding paragraph and to this end each Supreme Council will communicate to all organizations at its obedience the list of all regular Supreme Councils and the present resolutions.
6. RESOLVED, that each Secretary-General, or other proper officer of each Supreme Council, forward to each of the other Supreme Councils, by this Conference considered regular, a list of all Masonic Bodies whether under the Scottish Rite or otherwise, recognized as regular, and also a list so far as possible, of all Bodies known to be regular.
7. We regret and deplore that many good men, who would make good Masons and be a credit to the institution of Freemasonry, have become members of irregular and clandestine organizations calling themselves Masonic. We advise all such men who are upstanding in character and morals to take immediate steps to become members of regular and internationally recognized Masonic Bodies, and recommend that when any such apply to regular Bodies that they be given courteous consideration and helpful assistance in accomplishing their worthy desire.
8. The petition for recognition of the Grand Orient of Denmark is covered by the rules adopted by the Conference and we therefore recommend that no action be taken by this Conference regarding such petition.

It seems to me that the ideas expressed in the foregoing Resolutions have much to commend them to us. The final sentence of the fourth Resolution reaffirms a Resolution adopted at the Washington Conference of 1912, which the Supreme Council for Canada, upon the recommendation of M. . P. . Bro. . Sir John M. Gibson, 33°, then our S. . G. . C. ., declined to ratify as tending to limit the sovereignty and independent action of the Councils. It reads that "hereafter no Body shall be considered a Su-

“Supreme Council in any country unless it shall have obtained recognition and established fraternal relations with every existing regular Supreme Council within a period of four years from the date of its organization.” With that exception, however, the Resolutions adopted at Lausanne embody a policy or policies which, if generally adopted, would promote inter-jurisdictional relations and advance the interests of the Rite generally. We refused to participate in the Conference of 1922 mainly because the nature of some and the intent of others of the subjects proposed for discussion were not within the scope of the defined position and attitude of this Supreme Council and because of our belief that by declining to attend, we would most effectively voice our objections; but at the same time we disavowed any desire to stand aloof from those whom we believe to be earnestly and sincerely devoted to the principals of the Scottish Rite. On the other hand, the Resolutions in question, with the possible exception already noted, are within the scope of our position and attitude in reference to International Conferences, as defined in the Proceedings of our last Annual Session, and might therefore, in my opinion and notwithstanding our abstention from the 1922 Conference, be ratified and adopted by this Supreme Council. There is no need, however, for immediate action. The Resolutions will appear in the printed Proceedings of the present Session, and I recommend them to the consideration of the members of the Council with a view to such action as they may deem proper at our next Annual Session.

Let me, however, observe that I have used the English version of the advance copy of those Resolutions as received from Ill. Bro. Perry W. Weidner, 33°, Secretary-General of the Southern Supreme Council, U.S.A., who was one of the joint Secretaries of the International Conference. I have also received from Switzerland, an advance copy of the French version, and I note that where the English version uses the words “**every existing regular Supreme Council**” and “**the Bodies in the list of invited and admitted recognized Bodies**” in Resolution No. 4, and the words “**regular Supreme Councils**” in Resolution No. 5, the French version has the words “**Suprême Conseils confédérés.**” The Supreme Council for Canada has already

dissented from the unwarranted and unauthorized use of any descriptive title or phrase which would convey the erroneous impression that a “**Confederation**” has been created between friendly Supreme Councils by the fact of their meeting together to discuss M^asonic subjects of mutual interest or by adopting at such meeting Resolutions indicating that they hold similar views in regard to certain matters; and it is of course understood that my commendation of the Resolutions of 1922 refers to the English version and does not imply any withdrawal of our dissent.

Conclusion

Three years ago you did me the signal honor of electing me to the office of Sov. . Gr. . Commander, which I accepted with, as you will recall, great hesitation, due largely to my fear of inability to bring to the discharge of its duties the measure of time and vigor which those demand.

During the period I have endeavored, in every way, to maintain and promote the dignity and enviable reputation which attach to the office of a Sov. . Gr. . Commander by virtue of the high character and eminent services of distinguished and devoted Brethren who have preceded me or who have held or hold the same office in other Supreme Councils; nor am I conscious that other matters, however pressing, have been allowed by me to interfere with the due discharge of the purely executive functions of the office, save in the past few months when illness forbade those and all other activities.

Nevertheless, the experience of those recent months has forced upon me the conviction that in so far as the efficient discharge of the duties assigned to this office is a positive factor in promoting the usefulness of the Rite, it is incumbent on me to retire, notwithstanding numerous assurances to the contrary. But I cannot do so without first taking this opportunity of expressing to you, my Peers and Brethren, and to the brethren of the Rite generally, sincere appreciation of the great kindness and courtesy

invariably extended to me personally and the deference paid to my official rank.

The experiences of the past three years have been most pleasing and educative; but their chief value to me has been in confirming my belief that the work and service of the Scottish Rite offer a field in which even the most highly equipped, mentally and spiritually, in our communities, may find useful employment.

The cause in which we are engaged is not inglorious. Though misunderstood and misinterpreted within as well as outside the ranks of its own membership, and maligned in some quarters purposely or through ignorance of its true aims, Free Masonry has come to stay. It has gained and we may reasonably assume will maintain an assured and permanent place among our social institutions. Broad-based on pure and noble principles, it cannot fail in its benevolent mission of extending the scope and application of those principles among mankind, if its devotees and adherents, individually and collectively, are loyal to the spirit as well as to the letter of their undertakings.

There never was a time, in all history, when heartless and cynical materialism had a more powerful and pernicious influence upon human hearts and lives than to-day; indeed if we are honest with ourselves evidence of that fact is to be found within the individual experience of each one of us. It is true that what we are wont to call the "Principles of Masonry" were not invented but adopted by the Fathers as the foundation of the Craft, that while our symbols are our own, the lessons which those symbols conceal and teach, and those Principles themselves, are not exclusively ours but are universal, from everlasting to everlasting, and intended for the guidance of the race. But by whatever form of words these be designated, whether we say the Principles of Masonry or the Principles inculcated by Masonry, they are exactly the thing of which the world stands most in need to-day; our familiarity with them therefore, and our pledged allegiance to them, impose on us the clear duty of extending their adoption. We cannot hope, indeed in the very nature of things, we would

not wish to make all men Masons by initiation and ceremonial; on the other hand, we would not withhold from a fellow mortal anywhere, nay we earnestly desire to bring to all men everywhere, as freely and to the same extent as our privilege and opportunity as Scottish Rite Masons make possible for ourselves, that wider and happier life so powerfully illumined in the teachings of the Scottish Rite. Faith did not perish with Abraham—nor was the call to men of goodwill ever more insistent than it is to-day. We are called by opportunity to service; let us then like him obey the call and with every faith and confidence in the betterment of the world, and in the Order as a valuable agent to that end, let us make the influence of our lives and characters contribute to that betterment, ever remembering that the value of our contribution has no limits save those which our own lack of faith and our own imperfect service impose.

And now, Peers and Brethren, with earnest hope and humble prayer for Divine blessing on our labors, turn we to the duties which have brought us together.

J. ALEX CAMERON 33°,

Sovereign Grand Commander

The Lodge of Perfection, 14°, was then closed and the Supreme Council resumed labour in General Session.

On motion it was resolved that the address of the Sovereign Grand Commander be referred to a Special Committee to be named by him, with the exception of that portion of the address relative to the condition of the Rite in the Province of Prince Edward Island and that said portion be referred to another Special Committee to be named by the Sovereign Grand Commander.

The Sovereign Grand Commander named Ill.°. Bros.°. MacKay and Ballard as the Special Committee on the Address and Ill.°. Bros.°. McDougall, Walker, Sheppherd,

Webster and McMaster as a Special Committee to report on the condition of the Rite in the Province of Prince Edward Island.

The Annual Report of the Secretary-General and that of the Treasurer-General were then presented and read, as follows:

To the Supreme Council A. . & A. . Scottish Rite for the Dominion of Canada.

Illustrious Brethren:

I have the honour to present the Report of the Secretary-General:

Reports of Deputies

The following reports of the Deputies of the Supreme Council for the different provinces were then read:

PROVINCE OF ONTARIO

To the Supreme Council A.: & A.: Scottish Rite, Dominion of Canada.

Illustrious Brethren:

I have the honor to submit this my ninth Annual Report as Deputy for the Province of Ontario.

Steady progress continues throughout the Province, all the Bodies meeting regularly, observing the usual ceremonies, and doing some work at most of the meetings.

The few financial statements I have received show a careful handling of Lodge funds. It is gratifying to learn from these financial statements that the Scottish Rite Bodies are not unduly squandering their funds on refreshments and entertainment. I beg to suggest that all bodies render an annual financial statement to their members and the Deputies. Also state the amount of insurance on their properties.

Moore Consistory added to its net membership during the year 324—the Rose Croix Chapters 390—the Lodges of Perfection 535.

Barrie—Again heads the list by a net gain in Chapter of 88, and the Lodge of Perfection 117. The Barrie Brethren are doing a great moral work in our Northern Districts.

Fort William—Very satisfactory progress is being made in this Western outpost. I have great confidence in the future of Fort William.

The Moore Consistory of Hamilton asked the Manitoba Consistory of Winnipeg if they would be good enough to confer the Consistory Degrees upon a number of Brethren from Fort William. On Feb. 24th and 25th the Manitoba Consistory went to Fort William and conferred the Consistory Degrees upon eleven Brethren who had already passed the ballot of Moore Consistory.

Guelph—Steady, even progress continues in this Valley. The membership has been increased by 27 in the Rose Croix Chapter, and by 34 in the Lodge of Perfection.

Hamilton—The Consistory has added to its membership 324, the Rose Croix Chapter, 48; the Lodge of Perfection, 110.

Meetings in the three bodies were regularly held, all ceremonies observed, and a good attendance at every meeting.

The "Towers" is rapidly nearing completion. The exterior is finished, and very handsome. The floors are laid, and only the finishing touches and furniture are needed to complete this, the first building ever erected in the Dominion of Canada to be devoted entirely to the work of the Scottish Rite.

The financial burden is very heavy, but the result will be a group of buildings of which the Supreme Council ought to be

proud, and the Province of Ontario will have a complete handsome and comfortable home for their Consistory.

Kingston—Regular meetings have been held. A fair amount of work has been done. It is pleasing to note that the activities of the Rite are gradually being extended to the surrounding centres.

London—I regret that owing to some error, my report on London was not printed in last year's proceedings.

London lost two of its most valuable members during the year, Ill.^o. Bro.^o. Thos. G. Davis, 33^o, and Ill.^o. Bro.^o. J. B. McKillop, 33^o, both men of sterling worth.

Ill.^o. Bro.^o. Thos. G. Davis, 33^o, has been a regular attendant at the Hamilton Reunions for many years. His genial face and kindly disposition will be greatly missed by his Brethren in Hamilton, as well as in London.

Ill.^o. Bro.^o. J. B. McKillop, 33^o, died during the year. On all occasions his wise and clear counsel was greatly appreciated by his Brethren.

The London bodies had a prosperous year, having initiated in the Lodge of Perfection 111, and in Rose Croix Chapter, 64, but having lost by death 17, and by withdrawals or suspensions 45, the net increase in the Lodge is only 50.

To avoid the unpleasantness of collecting dues and suspending members for non payment of dues, I would strongly urge Supreme Council to compel all new bodies to include Life Membership in their initiation fees.

Ottawa—The Rite in this beautiful city is in a healthy condition, finances in good shape and regular meetings held. Fifty-one members were admitted to the Lodge of Perfection and 30 to the Rose Croix Chapter.

Sault Ste. Marie—Gradually the bodies in this Valley are forging ahead. Regular meetings are being held, an addition of ten to the membership of the Lodge of Perfection and ten to the Chapter of Rose Croix is very satisfactory.

Toronto—Addition of 107 to the Membership of the Lodge of Perfection and 69 to the Chapter is the best evidence of the good work being done in Toronto.

There is a splendid body of active men in the Rite in Toronto, where most excellent degree work is being done.

Windsor—This Valley is rapidly growing and to-day stands high amongst the various Masonic Bodies in Windsor district.

Fraternally submitted,

F. J. HOWELL, 33°,
Deputy for Ontario.

PROVINCE OF QUEBEC

To the Supreme Council A.°. & A.°. Scottish Rite for the Dominion of Canada.

Illustrious Brethren:

Again, with sincere pleasure I am able to report that the Bodies of the Rite in the Province of Quebec have had a year of real and most gratifying progress.

Regular meetings have been held in both Valleys. The standard of work has been maintained—the various offices have been filled by earnest and faithful men—and earnestness, loyalty and harmony have made the work a real pleasure.

The returns of the several bodies, with the required fees, have been duly forwarded to the Secretary-General in accordance with the Statutes.

Fraternally submitted,

FRANK CHARTERS, 33°,
Deputy for Quebec.

Montreal, October 25th, 1922.

PROVINCE OF NEW BRUNSWICK

To the Supreme Council A.°. & A.°. Scottish Rite for the Dominion of Canada.

Illustrious Brethren:

As Deputy for the Province of New Brunswick I have the honour of submitting my annual report.

According to the report of last year we showed in the Lodge of Perfection one hundred and forty-three members (143).

For the present year 1922 in the Lodge of Perfection we show ten initiations, four deaths, and one withdrawal making a gain of five.

In Rose Croix Chapter six were initiated, there were four deaths, and one withdrawal, net gain, one.

In the Consistory, ten 31st degrees were conferred. There were four deaths and one withdrawal.

The present membership of the Lodge of Perfection is one hundred and sixty-one (161).

Present membership, Rose Croix Chapter, one hundred and thirty-two (132).

Present membership in Consistory is one hundred (100). as against the following, last year: Perfection:—One hundred and fifty-six (156); Rose Croix:—One hundred and thirty-four, (134); Consistory:—One hundred and five (105).

We will have a class of possibly twenty-five (25) for the Perfection at the Reunion in November, with a corresponding increase for the two other bodies.

I would draw your attention to the fact that our Local Bodies here have never had in the Valley of Saint John the meeting of Supreme Council that was promised when we met in London. Would it not be possible that such a meeting in the Valley of

Saint John might be held in the coming year. Backed by the members of the Rite in our Valley I beg to renew most heartily the invitation given on the previous occasion.

Fraternally submitted,

THOMAS WALKER, 33°,
Deputy for New Brunswick.

St. John, October 25th, 1922.

NOVA SCOTIA.

To the Supreme Council A.: & A.: Scottish Rite for the Dominion of Canada.

Illustrious Brethren:

It is with great pleasure that I am able to report that the past year in the Province of Nova Scotia has been one of continued growth and success.

The Annual Returns, which have been forwarded to the Secretary-General, show a net gain of 11 in the Lodge of Perfection, 12 in Rose Croix Chapter, and 3 in the Consistory.

The meetings of all three bodies have been regularly held, and well attended. In fact, on many occasions it has been difficult to seat all the members present. Praiseworthy and steadily increasing interest is being manifested in the Rite, particularly in the degree work which is carried out in the most exemplary manner consistent with the disadvantages of limited space.

I have good reason to hope that in the not far distant future we shall be housed in apartments entirely adequate and suitable for our work.

Business matters necessitated my absence from the Province during the months of March and April; but I am informed that the Easter ceremonies were conducted in the splendid manner so characteristic of the Valley of Halifax. Peace and harmony prevail throughout the Valley, and the future is very bright.

Fraternally submitted,

J. H. WINFIELD, 33°,
Deputy for Nova Scotia.

Halifax, October 20th, 1922.

PRINCE EDWARD ISLAND

To the Supreme Council A.°. & A.°. Scottish Rite for the Dominion of Canada.

Illustrious Brethren:

On the death of my dear friend, Ill.°. Bro.°. Darrach, 33°, late Deputy for Prince Edward Island, on December 13th last, I was requested by the Sovereign Grand Commander to inspect the bodies of the Rite in Charlottetown, and report to him; also to act as Special Deputy for Prince Edward Island until this meeting of the Supreme Council.

I immediately got into communication with the Secretary, Ill.°. Bro.°. Inman 32°, in an endeavour to arrange a meeting with the brethren there. Owing to various circumstances, it seemed impossible to arrange a date on which I could be reasonably sure of a fair attendance until June 29th. On that date I visited the Lodge of Perfection, Charlottetown, and all the brethren present seemed most enthusiastic and desirous of doing all they could for the advancement of the Rite.

I understand that subsequent to my visit another meeting of the Lodge was held, at which two candidates were advanced to the 5th Degree.

No meetings of the Consistory or Chapter were held during the year.

The brethren in Charlottetown have been very seriously handicapped owing to the death, during the last few years, of so many of their members who were leaders, particularly in the Degree work and for a time they were greatly discouraged. I feel, however, that new hope now animates them, and that in the future they will be able to show much better progress than in the past.

The returns, I am informed, have been duly forwarded to the Secretary-General.

Fraternally submitted,

J. H. WINFIELD,

Special Deputy for P. E. Island.

Halifax, October 20, 1922.

MANITOBA

To the Supreme Council, A.° & A.° Scottish Rite for the Dominion of Canada.

Illustrious Brethren:

In accordance with the provision of the Constitution of the Supreme Council and the passing of another year, it is my privilege and pleasant duty to submit my annual report on the condition of Rite Masonry in this Valley for the year ended 31st August, 1922.

During the year the Lodge of Perfection held twelve (12) meetings, with an average attendance of ninety-seven (97).

The Chapter held ten (10) meetings, with an average attendance of eighty-eight (88), and the Consistory four (4) meetings, with an average attendance of thirty-seven (37), a very slight difference from the previous year.

The returns for the Chapter show the best record in the way of gains in membership.

Our losses in the Lodge of Perfection by death were ten members, and by withdrawal fourteen members, with one suspension for N. P. D., which total number of twenty-five practically eliminated the new membership of twenty-eight.

The Chapter suffered eight deaths, with eleven withdrawals and one N. P. D. suspension, but even with this loss of twenty it still left a comfortable addition to the membership.

In the Consistory the gain was only eleven, as against twenty-seven new members there was a reduction of fifteen, of which death claimed six, withdrawals eight, and one N. P. D. suspension.

The explanation of the number of withdrawals is that most of the members have removed to England, Regina and elsewhere, and one or two have retired for personal reasons.

A very unusual number of deaths took place last year, several were sudden and unexpected after an illness of a few days, others had been ailing for some time. They nearly all had been regular attendants for years previous to their sickness. We shall miss them very much.

One by one we miss the voices
Which we loved to hear;
One by one the kindly faces
In that shadow disappear.

We have about twenty-five accepted applications which were not in time to get their degrees before the closing of the different bodies for the summer months. These brethren will be coming forward as soon as degree work commences, most of which will be done during the months of November and December next.

On the 16th of November, 1921, accompanied by twenty-five or more brethren, I went to Brandon, and on the 17th day of November I inaugurated Brandon Lodge of Perfection. The inauguration ceremony "and the working of the degrees by the Winnipeg members" was most successfully carried out to the entire satisfaction of everyone present. The members of the Winnipeg Lodge of Perfection presented a magnificent set of silverware to the Brandon brethren for use at the ceremony in the 14th degree. Ill.^o. Bro.^o. Fenwick, 32^o, accepted the presentation on behalf of the members of Brandon Lodge of Perfection in most fitting terms. The hospitality of the brethren of Brandon Lodge of Perfection on this occasion will long be remembered.

On the 28th ultimo, accompanied by some ten or twelve brethren, I paid an official visit to Brandon Lodge of Perfection.

The opening and closing were done by the Brandon brethren in full form. The 4th degree was worked on two candidates in a most creditable manner, and would put many a lodge of its standing into the background. When one considers that within the time Brandon Lodge of Perfection has been working under dispensation, the summer months to be deducted, they have done wonders.

All the members are most enthusiastic; every officer is efficient; the books are well kept and in good condition.

Another demonstration of Brandon Lodge of Perfection's hospitality was evidenced on the visit above referred to.

It gives me the greatest pleasure to recommend that a charter be granted to Brandon Lodge of Perfection, as I feel assured that with the energy and enthusiasm displayed by all the members, that the Lodge will be a credit in every way to the Supreme Council.

The Rite in this Valley of Winnipeg is prospering; the good work done by all the members still continues. The books of the several bodies are well kept and regularly audited.

Fraternally submitted,

T. HARRY WEBB 33°,

Deputy for Manitoba.

Winnipeg, October 6th, 1922.

BRITISH COLUMBIA

To the Supreme Council, A.° & A.° Scottish Rite for the Dominion of Canada.

Illustrious Brethren:

It is again my privilege to submit this, my twenty-second annual report on the state of Scottish Rite Masonry in the Valley of British Columbia, for the year ending August 31st, 1922.

This has been quite an eventful year for the Rite in this Valley, a series of incidents happening to make the year more or less a memorable one.

The most important out of several I will just touch upon. During the Maundy Thursday celebration last April, and while 350 Sovereign Princes were engaged at the evening Feast Obligatory, a serious fire broke out in our Chapter Room, completely destroying it.

We were not aware of the fire or that the firemen were in the building performing their duty until we were about through with the banquet, when word reached me of the destruction and that all danger was over. You can imagine our surprise! I closed the ceremony in proper form, extinguishing the lights at the banquet table. We all dispersed without any mishap beyond about \$8,000.00 damage to our furniture and furnishings, which was fully covered by fire insurance.

The inauguration and constitution of Victoria Lodge of Perfection at Victoria, B. C., "the first evidence of spreading development of the Rite in the Valley of B. C.," occurred September 6th, 1922, when Ill.° Bro.° E. Douglas, 33°, Commander in Chief of B. C. Consistory, and all his officers, with several brethren and the Hon. Inspectors-General, Ill.° Bros.° J. E. Miller, 33°,

H. H. Watson 33°, W. C. Ditmars 33°, F. J. Bird 33°, R. E. Brett 33°, A. E. Goodman 33° and William Burns 33 , accompanied me. Assisted by these Ill.'. Brethren and a most excellent choir of Victoria Brethren, I carried out the Ritual in full form. I then installed the officers, also according to Ritual, with the assistance of several of our Vancouver Brethren. It is needless to say these ceremonies were very carefully carried out, and created a very favorable and lasting impression on the minds of all present.

At the conclusion of these ceremonies a sumptuous banquet was served and the visiting brethren very hospitably entertained. Speeches and songs were indulged in, and hearty wishes expressed for the success of Victoria Lodge of Perfection.

The Great Messenger from Above visited the homes of five of our revered brethren during the year—"the greatest number ever called in any one year." Three of them were Princes of the Royal Secret and two, Sovereign Princes of the Rose Croix. Ill.'. Bro.'. J. W. Horne was one of the first men to reach Vancouver before the fire in the year 1886, coming from Winnipeg to make this city his permanent home. Bro. Horne was made a Scottish Rite Mason in Winnipeg, and was our first Senior Grand Warden. He never advanced beyond this office, dropping out of active work almost from the beginning. Owing to severe financial reverses and very poor health, he was unable to devote much time to Masonic work of any kind, yet he never lost interest in the Rite. For many years he was a great sufferer, and death, when it did come, was a happy release.

Ill.'. Bros.'. V. H. Erickson, 32° and J. G. Gillespie 32°, and Sovereign Princes A. T. Cleghorn 18° and W. J. Thomas 18°, were splendid men, and had they lived would have exercised great influence and support to Scottish Rite Masonry in this Valley.

We miss their happy, bright natures, and regret that their absence is for all time. Our loss is their gain, for they have joined the Great Supreme Council above, and have solved the great mystery.

The reunions held during the year were very successful, but that of the Consistory was of course, "owing to the destruction of our quarters," cancelled for the time being, while further

degree work in the other two bodies was postponed until the damages were repaired and new furnishings were obtained.

We are gradually recovering, but some time will elapse before we are fully settled in our repaired home.

In spite of this unfortunate experience we exhibit a fairly good advance in all three branches. We added twenty by initiation and five by affiliation in the Lodge of Perfection, though we lost five by death and five by withdrawals, leaving only fifteen as the actual increase.

In the Rose Croix Chapter we increased our membership by forty-four; deducting seven through deaths and withdrawals, we added a total of thirty-seven.

In the Consistory we communicated the 19th to 30th degrees on twenty-three on April 15th, 1921, and conferred the 31st and 32nd degrees in full form on December 7th, 1921, and accepted by affiliation three brethren hailing from the Southern Jurisdiction of the U. S., making a total increase of twenty-six. Deducting three through death, we have an actual increase of twenty-three.

Not having the use of our quarters from April until September, my report on increased membership exhibits a great shrinkage for the year. However, we hope to make up for this shortage in our next.

Our Easter Ceremonies promised to be the most successful over all previous years. It was, so far as attendance is concerned, but the beautiful ceremony and its lessons, as well as the solemnity attending such memorial services, were lost through the unfortunate fire. We held the ceremony of Re-Lighting the Lights on Easter Sunday afternoon in the Royal Arch Chapter Rooms, which was well attended, and a very interesting and appreciative address was delivered by Ill.'. Bro.'. J. J. Miller 32°.

On December 1st, 1921, I received a communication from the Commander in Chief, Ill.'. Bro.'. E. Douglas 33°, of B. C. Consistory, requesting me to waive the time limit between the 31st degree and the 32nd degree for twenty-three Knights Kadosh who were desirous of getting the balance of these Consistory

degrees without further loss of time and expense, many of them having to travel long distances, "in some cases covering days," to obtain these honors. The names of these brethren are fully

given on the usual form supplied. Considering the desire of these worthy Knights reasonable, I concurred, and accordingly issued my dispensation covering the number. This action, I trust, will meet with your approval.

Victoria, B. C.—I paid an official visit in June to the Victoria Lodge of Perfection. I witnessed the fourteenth degree conferred on several candidates by the T.'. P.'. G.'. M.'. Bro.'. W. W. Duncan 18°, assisted by his officers.

The degree was exemplified exceedingly well, and was a credit to all who took part in it. I am very well pleased with the way the T.'. P.'. G.'. M.'. and officers of this Lodge have performed their duties while working under dispensation and in temporary quarters.

As the Brethren of this Lodge were arranging to get into larger and permanent premises, the Inauguration Ceremonies were delayed until they had accomplished their object. I arranged a date for this ceremony during this visit which, as previously reported, was duly performed on September 6th, 1922.

During the year they initiated thirty-four candidates. Add these to those given in my report of last year. They initiated while working under dispensation a total of sixty-four, so that when constituted they had a grand total of ninety-five members.

The Grim Reaper visited this young Lodge during the year, carrying off a very promising brother who had just received his fifth degree, Bro.'. R. J. Porter, who was a very prominent and influential citizen, being the Mayor of Victoria.

I predict a very bright future for this Victoria Lodge of Perfection, and feel sure the Rite is firmly established there for all time.

Our Secretary, Ill.^o. Bro.^o. William Burns 33^o, has forwarded the regular reports covering all three bodies for the year, and the Secretary for Victoria L.^o. of P.^o. Bro.^o. F. F. Fatt 14^o, has performed the same duty. All fees for the different Vancouver Bodies have been remitted in full, as well as those due from Victoria Lodge, including the fees for special dispensations issued. Peace and harmony prevail throughout the Valley of British Columbia.

Fraternally submitted,

J. R. SEYMOUR 33^o,

S. G. I. G Deputy for B. C.

ALBERTA

To the Supreme Council, A.^o. & A.^o. Scottish Rite for the Dominion of Canada.

Illustrious Brethren:

I have very little to report. The work of the Rite is proceeding in both Valleys in Alberta very satisfactorily. I was unable to visit Calgary this year, but the reports received by me show very satisfactory progress.

At Edmonton I have attended all meetings possible, and can safely say that the work is well and properly done, and that the finances are in good order.

Fraternally submitted,

E. A. BRAITHWAITE 33^o,

Deputy for Alberta.

Edmonton, October 20th, 1922.

SASKATCHEWAN

To the Supreme Council, A.^o. & A.^o. Scottish Rite for the Dominion of Canada.

Illustrious Brethren:

It affords me much pleasure to submit my annual report for the Province of Saskatchewan.

Through the kindness of the Sovereign Grand Commander, the petition presented by your Deputy, from the Brethren in Moose Jaw district, for the establishment of a Lodge of Perfection in their city, was granted. I had the pleasure of instituting this Lodge on January 26th, 1922, and was assisted in the work by Ill.'. Bro.'. Tate, 33°.

At a later date the Brethren of Moose Jaw Lodge of Perfection held a reunion. There were several members from Saskatoon and Regina present, who assisted with the work, thus displaying the goodwill and fraternal sentiment of the Craft.

The Moose Jaw Lodge of Perfection having complied with the Laws Governing, also having forwarded the Returns to the Ill.'. Grand Secretary up to date, it gives me much pleasure in recommending that this Lodge receive its Warrant or Charter.

Early in the season I visited Saskatoon Lodge of Perfection at a Regular Meeting. Candidates were advanced. Care is exercised in all their efforts. The work is well done. It is not necessary to add anything further than to say: "This Lodge is well officered."

Regina Lodge of Perfection has had a busy time. The meetings are fairly well attended, and the work is in good hands. The "lay-out" for the ensuing months is indicative of a good time.

The Rose Croix Chapter can also give a good account of itself.

The Consistory having done good work during its probation, I would, in accordance with the request now in the hands of the Ill.'. Grand Secretary from the Lodge, have pleasure in recommending that Letters Patent be granted Saskatchewan Consistory, meeting in the City of Regina.

During the year I received a request asking me to grant dispensations waiving the time limit between 30° and 31°, also to waive time limit between degrees 31° and 32°. The list of names for whom the waivers were asked having been supplied to Ill.'. Grand Secretary, I feel it will not be necessary to repeat them here. Deeming the request a reasonable one, particularly on account of the distance many of the Brethren had to travel, I issued a dispensation to cover the list, previous to the summer holidays.

The Consistory having done work for over two years, and being in a healthy condition, the prospective officers for the ensuing year will no doubt guard the proverbial Land Marks, by the same diligence that all faithful Brethren exercise.

Fraternally submitted,

ALEX. SHEPPHARD 33°,

Deputy for Saskatchewan.

F. G. WAIT.

Ottawa Ont., 26th October, 1922.

This report, on motion by Ill.'. Bro.'. Glanville, seconded by Ill.'. Bro.'. McDougall, was received and adopted.

The Special Committee on the Address of the Sovereign Grand Commander presented the following report:

To the Supreme Council of the A.'. & A.'. Scottish Rite for the Dominion of Canada.

Illustrious Brethren:

Your Special Committee appointed to report on the address of the Sov.'. Gr.'. Commander, beg to submit the following report:

Your Committee deplore the loss of so many members of our own Council and join with the Sov.'. Gr.'. Commander in expressing sympathy with sister jurisdictions in the losses they have met with.

Your Committee feel that it must be a source of gratification to all members of the Council to be assured of the continued satisfactory growth of the membership of the Rite throughout the whole jurisdiction.

The various acts, rulings and decisions of the Sovereign Grand Commander appear to your Committee to have been fully justified by the attendant circumstances and to merit the approval of Supreme Council.

Your Committee note the information contained in the address as regards a meeting in Lausanne of a number of representatives of several Supreme Councils.

The recent severe illness of the Sovereign Grand Commander was a source of sincere sympathetic concern to all members of the Council and your Committee feel that they are expressing the very deep satisfaction felt by all members of the Rite that he should have so far recovered his health as to resume in some measure his ordinary duties and the confident hope that in a short time he will be restored to his wonted health and vigour, and that his eminent services to this Council may be continued for many years to come.

Your Committee are glad to know that the Sovereign Grand Commander was able to attend the annual session of the Northern Supreme Council, and feel that it will be a source of gratification to us all to know that so many members of our Council were able to be present with him, and that they met with so hearty and fraternal a reception by their Brethren of the Sister jurisdiction.

Your Committee beg to pay a tribute of commendation to the excellent character and sustained earnest and high tone of the language in which the address is couched.

Fraternally submitted.

H. A. MACKAY 33°.

W. H. BALLARD 33°

On motion by Ill. Bro. Glanville, seconded by Ill. Bro. Davis, this report was received and adopted.

The Special Committee on the condition of the Rite in Prince Edward Island presented the following report:

To the Supreme Council A. S. & A. S. Scottish Rite for the Dominion of Canada.

Illustrious Brethren:

The Special Committee appointed in pursuance with a recommendation to that effect in the Address of the Sovereign Grand Commander, to take into consideration and report upon the condition of the Rite in the Province of Prince Edward Island, beg leave to report as follows:

Your Committee have given careful consideration to the matter and are of opinion that having in view the numerical strength of residential membership of the Rite in Charlottetown, the brethren there have too great a task in endeavouring to maintain three Bodies. From an examination of the Annual Returns of the three Bodies since the institution thereof in 1896, 1898 and 1909 respectively, as summarized in the printed Proceedings, it would appear that no degrees have been conferred in 1913, nor has there been any Meeting since 1918. The Returns presented at the present Session of Supreme Council show that in the Lodge of Perfection the 4° was conferred during the year on two candidates.

Your Committee are of the opinion that the interests and usefulness of the Rite in the Valley of Charlottetown would be best served if the brethren were to restrict their energies to the Lodge of Perfection until, at least, that Body is put upon a sound and prosperous basis; and your Committee are agreed that that end would be most speedily achieved by withdrawing the Charters of the Consistory and Chapter respectively.

At the same time your Committee have no desire to recommend such immediate action as may appear to the Brethren in Charlottetown as too suddenly drastic or as suggesting that Supreme Council is too exacting and thus tend to discourage the efforts of the Brethren there. As regards the immediate withdrawal of the Consistory Warrant, there can be no question. As regards the Rose Croix Chapter, and although your Committee are inclined to the view that this Warrant should also be withdrawn in order to allow all the energies of the Brethren to be devoted to the Lodge of Perfection until the Lodge is put on a satisfactory basis, your Committee think that perhaps matters, as presently existing, be left in abeyance for another year.

Your Committee therefore recommend as follows:

1. That the relative Edict of the Sovereign Grand Commander, set forth in his Address, be and is hereby approved.
2. That the Charter or Warrant of Constitution of Prince Edward Island Consistory be and is hereby withdrawn; that the funds and other property of the Consistory be disposed of or applied in such manner as the Sov.'. Gr.'. Commander in his discretion may deem advisable after consulting with the Brethren in the Valley of Charlottetown through the Deputy for the Province; but that the Warrant, Ceremonies and other property of Supreme Council held by or for the said Consistory be returned to the Deputy for the Province for transmission to the Supreme Council.
3. That as regards Charlottetown Chapter of Rose Croix, the aforesaid Edict of the Sovereign Grand Commander remain in force until the next Annual Meeting of Supreme Council; that in the meantime no degrees shall be conferred in said Chapter or under the Warrant thereof and no new member shall be elected thereto save at one meeting to be held for that purpose, which new member or members shall receive the degrees in some other Chapter or Chapters; provided that save as herein mentioned, the said Charter shall remain

in full force until the next Annual Meeting of Supreme Council, in consequence whereof the Statutory Meetings of said Chapter shall be held for the election of Officers and the performance of the Easter Ceremonies and the usual Returns shall be made and fees paid to Supreme Council.

The Whole fraternally submitted,

A. McDOUGALL,
A. C. McMASTER,
THOMAS WALKER
ALEX. SHEPPHARD
ALFRED F. WEBSTER.

This report on motion by Ill. Bro. McDougall, seconded by Ill. Bro. Glanville was received and adopted.

The Committee on the Doings of Inspectors-General and Special Deputies presented the following report:

To the Supreme Council A. S. & A. S. Scottish Rite for the Dominion of Canada.

Illustrious Brethren:

Your Committee on the report of the Illustrious Deputies for the different Provinces are pleased to find progress and success in every case but one.

In the case of Prince Edward Island they labour under difficulties; the small population making it a very different task to maintain a Consistory, a Rose Croix Chapter and a Lodge of Perfection from that in the larger and more populous provinces. As that situation has been referred to a special committee no further reference need be made to it here, except to say that at the present stage it is peculiarly unfortunate that they are deprived of the guidance of our late Illustrious Bro. Darrach.

It is pleasant to turn to the more prosperous localities and to congratulate the Brethren there that the Illustrious Deputies are able to make such favourable reports.

When the Deputy for Quebec says that they have had "a year of real and most gratifying progress" it is unnecessary for him to give particulars and he does not do so.

The Deputy for Ontario gives us such detail as to membership, new lodges, new buildings at Hamilton, etc., as would clearly have justified him in using the same phrase, "a real and most gratifying progress."

All the other reports call for favourable comment but your Committee cannot close this report without referring to the very interesting report of the Deputy for British Columbia and particularly to his reference to the occurrences at their Maundy Thursday celebration in which the members were so much engrossed and interested that they did not become aware of the presence of a serious fire in their building and that the firemen were actually at work there. Eight thousand dollars damage was done, but they closed the ceremony and extinguished the lights in proper form, and dispersed without any member having suffered injury.

The Illustrious Deputy for Manitoba recommends that a Charter be granted to Brandon Lodge of Perfection in which this Committee concurs; as also in a similar case in the report of the Illustrious Deputy for Saskatchewan in respect to the Moose-Jaw Lodge and the Stskatchewan Consistory.

All of which is respectfully submitted,

A. F. WEBSTER 33°,
A. C. MCMASTER 33°,
A. F. C. ROSS 33

This report was received and adopted on motion by Ill.'. Bro.'. Webster, seconded by Ill.'. Bro.'. Ross.

The Committee on Audit and Finance presented the following report:

To the Supreme Council A.'. & A.'. Scottish Rite for the Dominion
of Canada.

Illustrious Brethren:

Your Committee on Audit and Finance beg leave to report that they have examined the Books and Vouchers of the Treasurer-General and of the Secretary-General and the Bank Pass Book, and find the net balance to be ten thousand, one hundred and sixty-seven dollars and sixty-one cents (\$10,167.61).

We recommend:

1. That eight thousand dollars (\$8,000) be invested in Dominion of Canada bonds, and
2. That the Secretary-General receive an honorarium of two thousand dollars (\$2,000) annually.
3. That it be a standing order of Supreme Council that the expenses of the Sovereign Grand Commander be paid.

Respectfully submitted,

E. B. BUTTERWORTH 33°

F. J. Howell 33°,

LEWIS F. RIGGS 33°.

This report, on motion by Ill. Bro. Butterworth, seconded by Ill. Bro. Riggs, was received and adopted.

On motion by Sov. Gr. Commander J. Alex. Cameron, seconded by Past Sov. Gr. Commander Sir John Gibson, Honorary Membership honoris causa, in the Supreme Council for Canada, was conferred upon M. P. Bro. Leon Martin Abbott, Sovereign Grand Commander of the Supreme Council for the Northern Jurisdiction, U. S. A.

The Special Committee on Finances presented the following report:

To the Supreme Council A. & S. Scottish Rite for the Dominion of Canada.

Illustrious Brethren:

Your Special Committee appointed at our last Annual Session to devise and put in force a plan respecting the management of the finances of the Supreme Council and of its investments, beg leave to report as follows:

1. The Bank Account of Supreme Council is now and will hereafter be carried at the credit of "Supreme Council A. & A. S. Rite for Canada"; cheques to be signed by the Sov. Gr. Commander, the Secretary General and the Treasurer General.
2. All Bonds of the Dominion of Canada now belonging to Supreme Council are, and all similar Bonds hereafter pur-

chased will be fully registered in the following style: "The Trustees of the Supreme Council A.° & A.° S.° R.° for the Dominion of Canada." Cheques for interest thereon will be received by the Treasurer-General and be by him deposited to the credit of the above-mentioned Bank Account.

3. Your Committee also considered the advisability or otherwise of causing all Municipal Bonds belonging to Supreme Council to be similarly fully registered, or in any event registered as to principal where full registration cannot be procured, but that your Committee felt estopped—and limited in that respect by the fact that at the Annual Session 1916 (Proceedings p. 41) Supreme Council adopted a Report of the Committee on Inspection of Securities which while it did not recommend in any event expressed the opinion that our Municipal Bonds should be payable to bearer and not registered.
4. The Statutes and Regulations being silent in respect of the matters covered by the foregoing recommendations, your Special Committee further recommend that appropriate additions be made thereto in the constitutional manner.

Fraternally submitted,

J. ALEX CAMERON 33°,

E. T. MALONE 33°,

W. H. BALLARD 33°.

On motion by Ill.° Bro.° Malone, seconded by Ill.° Bro.° Ballard, this report was received and adopted.

The Committee appointed to consider the matter of paying the expenses of members of Supreme Council presented the following report:

To the Supreme Council A.° & A.° Scottish Rite for the Dominion of Canada.

Illustrious Brethren:

Your Committee appointed to consider the matter of paying the expenses of members of Supreme Council in attendance at the Annual Session, beg to report:

That we deem it advisable and would recommend: "That all Active Members of this Supreme Council in attendance at Supreme Council shall be entitled to mileage at the rate of ten

cents per mile one way, (such mileage to be computed according to the schedule of the Railway Mail Service of the Post Office Department of the Dominion of Canada) from their place of residence to the place of the Annual Session of the Supreme Council and that the Resolution apply to the present Session.

ILLUSTRIOUS BROTHER

Donald Barrach, 33^o

ACTIVE MEMBER OF THE SUPREME COUNCIL

FOR

THE DOMINION OF CANADA

From the East of the Supreme Council of Sovereign Grand Inspectors-General of the Thirty-third and last degree of the Ancient and Accepted Scottish Rite of Freemasonry for the Dominion of Canada, whose See is in the City of Montreal, in the Province of Quebec near the B.'.B.'. and under the C.'.C.'. of that Zenith, which answers unto 45° 31' north latitude, and 73° 20' west longitude of the meridian of Greenwich.

To all Freemasons of the Ancient and Accepted Scottish Rite of the obedience of this Supreme Council:

Illustrious Brethren:

It is with sincere regret that I announce the death of

Illustrious Brother Donald Darrach 33rd

at his home in Kensington, P.E. Island, on the 13th of December, 1921.

Bro. Darrach was born on October 25th, 1845, at West River, Prince Edward Island, where his father followed farming and ship bulding.

After acquiring a good elementary education in the district school of his native place, he entered Prince of Wales College at Charlottetown. Shortly after the conclusion of his studies there he began the study of medicine under the late Doctors Hammond and Richard Johnson; he then attended Harvard Medical College and Bowdoin Medical College, graduating from both institutions and becoming also a member of the Massachusetts Medical Society.

Dr. Darrach practised his profession in his native province for a time; conducted a drug business for a number of years and then became owner and manager of a general mercantile business. Whether as physician, druggist, or general merchant, he worked with ability and success and won the appreciation and good will of the large community which he served.

The late Illustrious Brother had a distinguished Masonic career. He became a Master Mason in Victoria Lodge, No. 2, in 1869 and was its W.'. M.'. in 1878. He was elected Grand Master of the Grand Lodge in 1891.

He entered the Royal Arch in 1879; was High Priest of his Chapter in 1886 and Grand High Priest in 1896.

In the A.'. & A.'. S.'. Rite he was particularly active; he received the degrees 4th to 32nd in the Bodies of the Rite in St. John, N.B.

He assisted in establishing the Lodge, Chapter and Consistory in Charlottetown and was in succession the Presiding Officer in each body.

In the Supreme Council A.'. & A.'. S.'. Rite he was made an honorary member in Oct., 1897; crowned an active member and elected Deputy of the Supreme Council for Prince Edward Island in October, 1910.

Bro. Darrach was without doubt one of the most enthusiastic and prominent Masons in his native Province; the great outstanding feature of his life was his love of Masonry and his zeal in Masonic work; punctual in his attendance at meetings, and active in all branches of the work he has left behind him a Masonic example worthy of emulation.

During the period from 1914 to 1918 he was particularly busy in all branches of domestic war activities and in fact during the whole of his life he was prominent in every movement that had for its object patriotism and philanthropy.

A widow, three sons and a daughter survive him and to them our sincere sympathies are extended.

As a mark of respect to the memory of our departed Brother, the usual Badge of Mourning will be worn for a period of sixty days from the reading of this letter, and may our Father in Heaven have you always in His Holy keeping.

Given under my hand and seal of the Supreme Council, this 29th day of September, 1922.

J. ALEX. CAMERON 33°,
Sovereign Grand Commander.

Attest:

W. H. BALLARD 33°,
Secretary-General, H.'. E'.

JAMES BLACK McKILLOP, K.C., 33°

Ill. Bro. James Black McKillop, K. C., 33°, whose death occurred on March 23rd, 1922 was born September 12th, 1854 in the Township of Aldborough, County of Elgin, the son of the late John McKillop.

He was educated at Dr. Tassie's noted school in Galt and in the year 1876 began to read law in the office of the late Warren Rock, K.C., he was called to the Bar in 1881 and entered into partnership with the late Chas. Hutchinson, County Crown Attorney. which continued until Mr. Hutchinson's death in 1883 when Mr. Jas. Magee was appointed Crown Attorney and Bro. McKillop formed a partnership with him. This continued until the year 1904 when Mr. Magee was appointed Judge of the Chancery Division of the High Court of Justice. Bro. McKillop was immediately appointed by the Provincial Secretary, the Hon. J. M. Gibson, County Crown Attorney for Middlesex.

During the years 1916 and 1917 he served as President of the Middlesex Law Association and in 1921 was appointed King's Counsel.

Bro. McKillop was peculiarly fitted for his office, possessing as he did, infinite patience, good judgment and a deep knowledge of his fellowmen. In quite an unusual degree he possessed the qualities of vigilance for the law combined with charity for the offender.

As a citizen he was admired for his simple cordial nature and the sense of brotherhood that was so well exemplified in his fraternal associations. Naturally, masonry strongly appealed to such a friendly nature and in the study and practice of it's principles, he found full scope for those qualities of heart and mind that so endeared him to all his brethren.

Bro. McKillop was initiated into the Tuscan Lodge No. 195 in 1899 and became Worshipful Mastee in 1907 and at the same of his death held the office of Treasurer. He never sought office in Grand Lodge although fitted to fill the highest. It was in the Rite that he found the congenial atmosphere most suited to his temperament. There he was at home. This was brought out vividly in his intercourse with his brethren. His tact and good judgment were always in evidence. His genial smile and warm hand clasp dispelled all irritation and radiated sunshine wherever he moved.

Ill. Bro. McKillop received the Perfection degrees February 25th, 1903 and the Rose Croix November 16th, 1903, in 1909 he was elected T.P.G.M. of the Lodge of Perfection and in 1910 was Most Wise of the London Chapter, Rose Croix. In 1916 he was created an honorary 33° member of Supreme Council.

He leaves a widow, formerly Miss Eva Roblin, and one daughter, Mrs. A. T. Bayley of Canso, N. S. to mourn his loss.

Quoting a letter of appreciation in the local Press, the writer says "A great man has passed in the person of Mr. J. B. McKillop. What an inspiration for high ideals this man has left behind him, what a wonderful life was his to lay at the feet of his God. Truly, it may be said of him that he was one of God's good men."

"Near the end the road
Grows strange with faces new,
And milestones into headstones change
Neath every one a friend."

THOMAS GEORGE DAVIS 33°

Ill. Bro. Thos. G. Davis 33° died on the 26th, of May last. Bro. Davis was born in 1848, the youngest of the nine sons of the late James Davis, Distiller, of Prescott, Ontario. All of these sons were remarkably big men mentally and physically, and all of whom attained high rank in their several walks of life, John the eldest becoming Dominion Inspector of Inland Revenue, William was the inventor of Fleischman's yeast, and was the chief factor in that immense concern for many years. Another brother entered the British Navy rising to the rank of Commander, while yet another became a Professor of Mathematics in an Eastern University. Our late Bro. followed his father's business of distilling and became one of the most expert in Canada. For a short time in his early manhood he was in the employ of the old American Express Company. In 1873 he entered the Inland Revenue service where his technical knowledge of distilling rendered him one of the most valued employees of the Department. He received rapid promotion and eventually rose to the position of Collector of Inland Revenue for Western Ontario.

Ill. Bro. Davis' Masonic career was a brilliant one. He was initiated into King Solomon's Lodge 378 in 1893 becoming Worshipful Master in 1902 and was elected Grand Senior Warden of the Grand Lodge of Canada in 1912. He was a Past First Principal of St. John's Chapter (1911) No. 3 R.A.M. He was an active member of Richard Couer de Lion Preceptory No. 4 K.T. & K.M., and was also a member of the Trustee Board of Mocha Temple, Mystic Shrine. Bro. Davis' chief interest however, was centered in the Scottish Rite. In 1902 he was admitted to the London Lodge of Perfection and in the following year to the London Rose Croix Chapter 180. From the first he evidenced great interest in the work of the Rite becoming T. F. M. G. and afterwards for a number of years was the efficient Secretary of the two bodies and in 1912 was elected Honorary Inspector-General 33°.

Ill. Bro. Davis was a consistent member of St. Andrew's Presbyterian Church.

Ill. Bro. Davis was a many sided man and to those friends of later years the quiet unassuming exterior never gave a hint that in his youth he was one of the leading sportsmen in Canada, especially in aquatics. In 1876-77 when the late Ed. Hanlon won his great victory as an oarsman at the Centennial Exhibition in Philadelphia "Tom" Davis was his chief backer and subsequently accompanied Hanlon on his trip to England and Australia. In his quiet moments, surrounded by a few old friends, he dearly loved to recall old associations and rich indeed was his fund of reminiscences and anecdote. He possessed a quiet sense of humor which frequently flashed out in the presence of those friends who enjoyed his confidence.
